JUNGLE GIRLS™

WILD GIRL
TARA • **TIGER GIRL**

SPECIAL GUEST STAR —
SHEENA QUEEN OF THE JUNGLE!

BLACK
FROM
BAKER

4 JUNGLE GIRLS™

Hold on to your pith helmets, Jungle Girl fans! This 4th issue of **JUNGLE GIRLS** comes at you like a rhino stampede!

We bring you a new **TARA** story by Bill Black and Daring **DICK AYERS**, a **MATT BAKER TIGER GIRL** yarn and that **WILD GIRL CAMILLA** in a death-defying thriller by **BOB LUBBERS**!

As a special added treat, **JUNGLE GIRLS** has a guest star this issue of the highest magnitude. We're talking none other than **SHEENA, QUEEN OF THE JUNGLE** herself!

In this issue the Jungle Queen swings again in an 11 page exploit from the pages of **JUMBO COMICS** as illustrated by **ROBERT H. WEBB**. All Fiction House material is used by permission of that company's President and Publisher, **T.T. SCOTT**.

And that's not all! TV's **SHEENA**, the ever-beautiful **IRISH McCALL**, joins us again with a message from her own typewriter... or would that be jungle telegraph? At any rate, it's always great to hear from the marvelous Miss McCalla. This issue's entry is quoted from Irish's Christmas letter of December, 1991.

Next issue we present a **MATT BAKER TIGER GIRL** story from the original art collection of Pete Leavitt, a devoted Fiction House fan. You won't want to miss that. In addition, **RULAH, JUNGLE GODDESS**, will premier on these pages. Without a doubt, **RULAH** was the most outlandish of all the Golden-Age Jungle Girls! Drawn in a Baker-esque style, **RULAH's** jungle was like no other. ALL women, even the native girls, were white, beautiful and nearly naked! This must have been the editorial mandate at Fox Comics. Be sure to reserve your copy now.

BILL BLACK
EDITOR

IRISH, Queen of the Jungle!

By Bill Black

AC/Paragon is currently working upon a volume that will span the career of beautiful actress-model-artist **IRISH McCALLA**. This book will cover her modeling career as well as her film experiences. We are gathering literally hundreds of photos of Irish, who, in my opinion, is one of the most amazing women of our time.

In the 1950's I idolized her for her physical beauty. As an adult and artist myself, I admire her talent, intelligence and charm. At AC Comics we specialize in illustrated stories of fabulous women like those featured in our flagship title, **FEMFORCE**. To me, Irish McCalla is the real-life embodiment of these women and I am thankful that she is once again in the spotlight, her beauty virtually undiminished by the passage of time. And, she is more active than ever. To quote Irish:

"I am still going full blast at all my various careers: Artist, Landlady, Real Estate Agent and running McCalla Enterprises. My son, Kim, sometimes helps me in the mail-order end of the business but has his

own mail order business as well as heading for a master's degree in psychology, he has more than enough to handle without rescuing Mom too often. Besides, with much of the fan mail, I only can answer the questions or sign the photos so there is still a lot of time needed even with others handling the physical end of it.

Thanks to my faithful clients and fans, and many newly discovered friends, McCalla Enterprises continue to prosper and grow in several directions. Why is it that everything I do goes in several directions? Just the way I am, I guess. And now, with all the new interest in the old television and movie actors and productions such as **SHEENA, QUEEN OF THE JUNGLE**, you are giving this rather wild old lady another chance to swing into the limelight. I must admit that I love it, love it, love it. Ham that I am!!"

SHEENA

Queen of the Jungle

BY W. MORGAN THOMAS

WHAT DREADFUL FORCE
CAVE THE FRIGHT-PALED
GIRL ON THROUGH DARK-
HINDING JUNGLE TRAILS?
WHY DID THOSE NATIVE
PORTERS LOOK UPON
HER WITH EYES OF
SMOLDERING HATRED—
AND FINGER THE R-
BLADE HANDLES ARSIDENTLY
— AS IF AWAITING A
SIGNAL? EVER CLOSER
THE CART RUMBLED
TOWARD SHEENA'S HOME,
AND EVEN NOW, AS A
STURDY RAFT ROCKED
GENTLY ON THE MURKY
RIVER SWELLS.

IS NOT
THE JUNGLE
RESTFUL
WHEN ALL IS
CALM, BOB?

YEAH, BUT
HOW LONG
DOES 'T EVER
STAY THAT
WAY? SAY

JUNGLE GIRLS No.5- 36 pg, B&W, \$2.75. COLLECTOR CLASSIC!

By popular request from our readers, this issue we bring you the most outlandish jungle girl of them all... drawn in a Bakareque style- RULAH, JUNGLE GODDESS! Kiddies, when you buy this one, don't show it to your mommy, okay? Rulah's jungle was unique: ALL women, even the native girls, were white, beautiful and nearly naked. Most of the time Rulah even fought a beautiful, nearly naked villainess... and that's what we have for you here. Also, a MATT BAKER TIGER GIRL story reproduced from the original art! Don't pass this one up!
